MINIMIZE YOUR TRADING
with the most advanced global trading technology

Welcome to Interactive Brokers
Our single-minded focus on building direct access trading technology enabled us to deliver **lower execution costs and commission** worldwide. For trading stocks, options, futures, forex and ETFs, IB is the faster, smarter, and cheaper choice on **over 40 markets in 13 countries**. With \$1.6 billion in capital, IB and its Interactive Brokers Group affiliates are **ranked by Institutional Investor** as the 20th largest US securities firm. We invite experienced traders to apply for an account below.
